

To Whom It May Concern,

We are hosting the 8th annual charity Hunt for Hope Florida as a virtual hunt from 9/26-10/3 this year in Sebastian, Florida with our local chair, Dr. Holly Hamilton. We respectfully request your support. We are requesting a monetary donation to The IBC Network Foundation which will go 100% to inflammatory breast cancer research and is tax deductible. We are also asking for a silent auction/raffle item for our event if possible. You may also make monetary or goods & services donations in your business name. Checks can be made payable to **The IBC Network Foundation**. The event will be structured differently this year as COVID-19 has changed some of the requirements for conducting our scheduled Hunt for Hope. We are still planning to have a local event but will have to do it differently this year. I am hoping for a “regular Hunt” for next year. Since we are a team of volunteers with no paid staff, 100% of the proceeds are donated to cancer research.

All funding raised from the Hunt for Hope Florida will underwrite inflammatory breast cancer (IBC) research via **The IBC Network Foundation (501c3 EIN#38-3850833)**. Lori Gill Grennan led the first Hunt for Hope in Ohio for two years while undergoing treatment for her IBC. Her family continues the Hunt for Hope in Ohio after her passing 7 years ago. As a result, Hunt for Hope events are held in different states across the nation now as a way to raise funds for research as well as spread education on this aggressive form of breast cancer. The Hunt for Hope Florida has been held for eight years in the Sebastian area.

The IBC Network Foundation has already funded many grants for research and has raised over \$1,000,000 for research since founding in 2011. You can read more on their website at [www.theibcnetwork.org](http://www.theibcnetwork.org). We hope that you will help to support inflammatory breast cancer research for this local event.

Thank you for your time,

Holly Hamilton

## Hunt for Hope Florida

### SPONSOR APPLICATION

Name: \_\_\_\_\_  
Contact: \_\_\_\_\_  
Address: \_\_\_\_\_  
City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_  
Home Phone: \_\_\_\_\_ Cell Phone: \_\_\_\_\_  
E-mail: \_\_\_\_\_

Monetary donations go directly to inflammatory breast cancer research grants. They are tax-deductible and some corporations will match your donation. We are also looking for donations for the raffle for the actual event. Raffle donations allow you to showcase your business and promote it to people that might not otherwise know you. Thanks for your donations!
